

Backdoor
Jake Frost

Bm7 **Em7**
Down on the avenue

Bm7 **Em7**
We took on life as young boys do

Bm7 **Em7**
With a mind to unloose the screw

Bm7 **BbMaj7**
We come alive We come alive

Bm7
Open up a room do you wanna stay

Em7
We could take a few drinks before you say

Bm7
Keep my tab open dance the night away

BbMaj7
Let s forget about each other's body

Bm7
There s nowhere we can t go tonight

Em7
Let you hold my waist as I cross the line

Bm7
Living on the edge just to stay alive

BbMaj7
We'll slip in from the back this time

Bm7
Make out under those neon lights

Em7
Run Downtown fore we say goodbye

Bm7
Living on the edge just to stay alive

BbMaj7
We ll slip in from the back this time

Bm7
(I-I-I-I-I-I)

Em7
Make me come alive

Bm7
(I-I-I-I-I-I)

Em7
Back this time

Bm7
(I-I-I-I-I-I)

Em7

Make me come alive

Bm7

(I-I-I-I-I-I)

Bm7

Em7

There s no use in being used

D/A

Can you feel me

BbMaj7

In the moment

D/A

We'll know where we belong

(No I Just can't wait to show you)

(No I Just can't wait to)
