[Verse]

D

I shoulda been dead like 17 times

Bm

It seems like it

D

I got a lump in my throat

And a heavy chest

Bm

Oh god I feel like shit

D

Another day wasted stuck inside

Bm

My fragile mind

D

Picking at my bones with a rusty knife

Bm

All the fucking time but

[Pre-Chorus]

D

Ouuuuuh ouhouh ouh

A

I ll be alright

D

Ouuuuuh ouhouh ouh

A

I ll be just fine

[Chorus]

D

If I can manage to get over this

A

Everyday apocalypse

D

Running from the radiation

A

I can t find no shelter

[Verse]

D

Never been afraid to dissappoint

Bm

Used to pray, but whats the point

D
I lost my faith, at 21
Bm
Can t feel the rays, from a blackened sun
D
Yeah I got a little older man I feel so pessimistic
Bm
My minds fucking with me
Im just waiting for the next trick
D
Never thought Id hate myself but lets get realistic
Bm
I won t ever change til I can muster up ambition
D
To be something different
Bm
Than who I am now
D
Maybe ill make it to the top
Bm
And finally see through the clouds
D
But until then, this building im in is a wreck
Bm
It tips and it crumbles til theres not much left but

[Pre-Chorus]

D
Ouuuuuh ouhouh ouh
A
I ll be alright
D
Ouuuuuh ouhouh ouh
A
I ll be just fine

[Chorus]

D
If I can manage to get over this
A
Everyday apocalypse
D
Running from the radiation
A
I can t find no shelter
D
I ll manage to get over this
A
Everyday apocolypse
D
Running from the radiation
A
I can t find no shelter
