Jake Miller

[Intro]

E F#m

[Verse 1]

E

I ve been looking to the sky now
Hoping something falls down

F#m

But it s not working
I m done searching

E

Life keeps switching up the program
I m calling up my old man

F#m

Cause I need guidance
I can t hide this, no, no, no

[Chorus]

E

I m done wasting my time
Cause I ve been losing my mind

F#m

We spend all of our lives
Trying to find the answers

E

God is laughing out loud
Cause we think we got it all down

F#m

But I finally figured it out
We re never gonna find the answers

[Interlude]

E F#m

I finally figured it out
We re never gonna find the answers

[Verse 2]

E

I ask way too many questions
I m lost with no direction

F#m

But I ll be okay
Starting today

E

Cause I m done with overthinking
I m smiling while I sing this

F#m

Cause I m done chasing
And it feels amazing

Yeah, yeah

[Chorus]

E

I m done wasting my time
Cause I ve been losing my mind

F#m

We spend all of our lives
Trying to find the answers

E

God is laughing out loud
Cause we think we got it all down

F#m

But I finally figured it out
We re never gonna find the answers

[Interlude]

E F#m

We re never gonna find...
...Never gonna find the answers

F#m

I finally figured it out
We re never gonna find the answers
