Apple Pie Moonshine Jake Owen

Intro.: |(G)|(D/F#)|(Em)(F)|(C) ---

Well, I $a-(\mathbf{G})$ pologized when I picked her up, said $(\mathbf{D/F\#})$ this old truck is just a fixer up

She (\mathbf{Em}) smiled and said hey that s ok, just a (\mathbf{C}) couple letters missing from the (\mathbf{D}) Chevrolet

I pulled (\mathbf{G}) out of her country club neighborhood, she was $(\mathbf{D}/\mathbf{F}\#)$ over there looking so damn good

And I was (\mathbf{Em}) feeling every bit of my side of the tracks, but (\mathbf{C}) she took care of that

(Chorus)

When she (\mathbf{D}) pulled out that (\mathbf{G}) moonshine tasted like an (\mathbf{D}) apple pie We were (\mathbf{Am}) wishing and kissing and sipping that (\mathbf{Bm}) stuff, (\mathbf{C}) sho nuff messing me up

Till I (D) couldn t tell the (G) moonlight from the (Dm7) stars in her eyes I never felt (Am) so fine, caught up in a (C) good time between (D) her and that apple pie (G) moonshine

Well we were (\mathbf{G}) dancing around in the high beams, her $(\mathbf{D}/\mathbf{F}\#)$ hands in the back pockets of my jeans

The (\mathbf{Em}) radio playing the perfect song, I still (\mathbf{C}) think about her every time the

(D)thing comes on

And I (\mathbf{G}) never forget that first kiss when a $(\mathbf{D}/\mathbf{F}\#)$ country boy got to hold a real princess

I can (Em)still taste the cinnamon on her lips, every (C)time I reminisce

(Chorus)

It s (\mathbf{D}) sweeter than (\mathbf{G}) moonshine tasting like an (\mathbf{D}) apple pie

We were (\mathbf{Am}) wishing and kissing and sipping that (\mathbf{Bm}) stuff, (\mathbf{C}) sho nuff messing me up

Till I (D) couldn t tell the (G) moonlight from the (Dm7) stars in her eyes I never felt (Am) so fine, caught up in a (C) good time between (D) her and that apple pie (G) moonshine
