Jake Owen

[Intro]

F# B

[Verse 1]

F#

It was yesterday

C#

It was years ago

B

We were singing every word on the radio

F#

C#

Kinda like them songs that saved our souls

B

F#

Somehow, someway

F#

We was falling fast

C#

We was jumping in

B

C#

Blue jean halo hanging off the limb

F#

C#

Two American kids just like them

B

F#

Every time they played

B F#

And it blew us away

[Chorus]

F#

Do you turn it up

F#

Do you sing along

Every time you hear that song

B

Like we did then

B

C#

Like we did when

F#

Do you close your eyes

F#

Does it make you laugh

F#

Do the memories take you back

B

Six packs and a Chevy Cheyenne

B

Way back

B

F#

When I was Jack and you were Diane

[Instrumental]

F# C# B F# C# B

[Verse 2]

F#

C#

Yeah, we remember growing up and growing old

B

C#

Breaking up or letting go

F#

C#

Girls just like Rock-n-Roll

B

F#

Where has it gone

F#

C#

But I hope like hell every now and again

B

C#

I blow across your mind like that summer wind

F#

C#

And you're holding on to sixteen as long as you can

B

F#

Every time that it comes on

[Chorus]

F#

Do you turn it up

F#

Do you sing along

Every time you hear that song

B

Like we did then

B

C#

Like we did when

F#

Do you close your eyes

F#

Does it make you laugh

F#

Do the memories take you back

B

Six packs and a Chevy Cheyenne

B

Way back

B

F#

When I was Jack and you were Diane

[Chorus]

F#

Do you turn it up

B

Does it make you laugh

When I was Jack and you were Diane

B

Yeah, let the memories take you back

B

Take you back

B

Take you back
