## The One That Got Away Jake Owen

Tune One Full Step Down

Verse 1

D Bm7 A

She rolled in She spent the summer there a couple houses down There was magic in the air when she caught my eye

D Bm7 A G

in my little sandy town We shared three short months and one long goodbye

Chorus

D Bm7 A G

She was the one that got away I shoulda never let go Yeah the one that got away

D Bm7 A That one that broke my heart I shoulda begged her to stay

Verse 2

D Bm7 A

She kissed my lips Set my world on fire We wrote our names in the sand But they washed away like she did With the rising tide

G

D Bm7 A

Down on Ocean Drive On the forth of July Under a star soaked sky

Chorus

Bridge

Now every summer that rolls around Wishing I can see her face

Α

I m looking over my shoulder Wishing I could hold her

Chorus
