

The Man I Want To Be
Jake Scott

[Verse 1]

B **F#**
If I become the choices that I make
B **F#**
Am I on the road that I should take
B
Cause Iâ€™ve got all of these ambitions
F#
But iâ€™m afraid theyâ€™ll take me down
B
But I donâ€™t wanna end up wishing
F#
For the life I could have found

[Chorus]

D#m **B** **F#**
If these dreams get so bright that theyâ€™re blinding
D#m **B** **F#**
Will I still know how to see
D#m **B** **F#**
When I write the last words of this story
D#m **B** **F#**
Will I be the man I want to be
D#m **B** **F#**
Oh will I be the man I want to be

[Interlude]

D#m B F **D#m B F**
Woah, woah

[Verse 2]

B **F#**
Many men have tried and lost their way
B **C#** **F#**
Sold their souls for fortunes made of flames
G#m **B**
I donâ€™t want to follow footsteps
F#
Of tragedies and chasing fame
B
But I donâ€™t want to miss the first step
F#
And never live cause I was too afraid

[Chorus]

D#m **B** **F#**
If these dreams get so bright that theyâ€™re blinding

D#m B F#

Will I still know how to see

D#m B F#

When I write the last words of this story

D#m B F#

Will I be the man I want to be

D#m B F#

Oh will I be the man I want to be

[Interlude] x2

D#m B F D#m B F

Woah, woah

[Verse 3]

D#m B F#

If I got everything I wanted

D#m B F#

And stood beneath the lights on the stage

D#m B F#

Would the boy when I was young love the man that Iâ€™d become

D#m B F#

Or would he even recognize my face

[Outro]

D#m B F#

If these dreams get so bright that theyâ€™re blinding

D#m B F#

Will I still know how to see

D#m B F#

When I write the last words of this story

D#m B F#

Will I be the man I want to be

D#m B F#

Oh will I be the man I want to be

D#m B F#

Oh will I be the man I want to be
