Some order where otherwise everything is

Eye for an eye, truth for a truth
        D   Em
Here I lie, my arms around you
          C   G

Pack up your wagon girl and button your coat
Look up and see me coming out of the smoke
Footprints of angels leaving tracks in the snow
I m the last man that sweetheart you oughta know

When it s eye for an eye and truth for a truth
Here I lie, my arms around you
You would be blind if you only knew

It was eye for an eye and truth for a truth

B7
It s good to be hungry
    Am   **D**
The apple of somebody s eye
B7   **C**
Ain t nothing so pretty in this terrible light
B7   **D**
All hands on deck and all men to the tower
                     C   **B7**
I m a virtueless man in the midnight hour

Now it s junk on junk, this bed that we made
Where I sleep like a horse standing up on the clay
Got to be ready, there s so much hell to pay
And I m guilty of loving you in the worse kind of way

Eye for an eye, truth for a truth
Here I lie, my arms around you
You would be blind if you only knew
It was eye for an eye and truth for truth
