Verse (**Dm Am C G**)

When it rains, well it rains
Oh my heart don t feel the same
Nothing change, nothing change
Comrade I don t feel the same
With my foot to the floor
Hear my key turn in the door
Holding back what s in store
When a girl wants a little bit more

Chorus (**Dm Am Am / F G Dm**)

What s a girl like me to do
When she don t get a thing from you
I wanna go where you re going to
Have to do what you have to do
What s a girl supposed to try
When all you do is criticise
Pretty soon you ll realise

```
F                G                Dm  
I can see it, I can see it in a boy s eyes

Well it rains, when it rains
Oh my heart don t feel the same
There s a sun in my sky
You don t see it, you don t even try
But you ll die, before you cry
Solitude is where you fly
You don t say this ain t right
But I see it in your eyes

Chorus (**Dm Am Am / F G Dm**)

What s a girl like me to do
When she don t get a thing from you
I wanna go where you re going to
Have to do what you have to do
What s a girl supposed to try
When all you do is criticise
Pretty soon you ll realise
