

Broken Hearted
James Arthur

Intro: **E C#m Asus2 B**

E
Well it started at a party
C#m
I never knew your name
Asus2
You never knew mine either
B
But there was something about your face
E
And you decided to come over
C#m
And I think it started there
Asus2
You said I really like you?•
B
And there was something in the air
E
And then the party ended
C#m
And we were all alone
Asus2
We lay there talking for hours
B
And then I walked you home
E
Then you kissed me in the garden
C#m
I picked you out a rose
Asus2
You said I think I love you?•
B
That s when my body froze
And I said

Refrão:

E
Never leave me broken hearted
C#m
Baby I m not strong enough
Asus2 **B**
Don t ever please don t ever, ever let me go
Asus2
You said baby I won t
B
You Said Baby I won t

E

But today you acted different

C#m

I asked if you were alright

Asus2

You said yeah trust me I m okayâ?•

B

Then you put your lips on mine

E

That s when I realised

C#m

Your eyes are full of lies

Asus2

You would have fucked me for the story
