**Car`s Outside**
**James Arthur**

[Intro] **Em**  G  D  C

    **Em**             G                                 D         C
I m packin  my bags that I didn t unpack the last time
                 **Em**                G                         D     C
I m sayin   see you again  so many times it s becomin  my tag line
     **Em**                  G                 D           C
But you know the truth, I d rather hold you than try to catch this flight
      **Em**              G                        D     C
So many things I d rather say but for now it s goodbye

**Am7**                       **Em**     D
You say I m always leavin
**Am7**  **Am**               **Em**     D
You, well you re sleepin  alone, but the
**C**                            A
  The car s outside but I don t wanna go tonight

**G**                      B
I m not gettin  in the Addison Lee
        **Em**                   C
Unless you pack your bags, you re comin  with me
**G**                      B                             **Em**
  I m tired of lovin  from afar, and never being where you are
                                 C            Cm
Close the windows, lock the doors, don t wanna leave you anymore

     **Em**                  G                          D   C
I m starin  at the same four walls in a different hotel
**Em**              G                    D   C
It s an unfamiliar feelin , but I know it so well
      **Em**                G                    D     C
Oh, but you know the truth, I d rather hold you than this mobile in my hand
     **Em**                G                    D     C
But I guess it ll do  cause for you, I would run up my phone bill

**Am7**                       **Em**     D
You say I m always leavin
**Am7**  **Am**         **Em**     D
You, when you need me the most, but the
**C**                            A
  The car s outside but I don t wanna go tonight

**G**                      B
I m not gettin  in the Addison Lee
        **Em**                   C

```
Unless you pack your bags, you re comin  with me
G                                   B                              Em
   I m tired of lovin  from afar, and never being where you are
                                   C
Close the windows, lock the doors, don t wanna leave you anymore

G            B             Em
   Ooh-ooh, ah-ah, ooh-ooh, ah-ah
          C
Ooh-ooh, aah, don t wanna leave you anymore
                                                        Am7
           Em            D
    Oh, darling, all of the city lights never shine as bright as
Am7
your eyes
                           Em                 D
I would trade them all for a minute more but the car s outside, and he s
C                           A
 Called me twice but he s gonna have to wait tonight

G                       B
I m not gettin  in the Addison Lee
          Em                      C
Unless you pack your bags, you re comin  with me
G                                   B                              Em
   I m tired of lovin  from afar, and never being where you are
                                   C
Close the windows, lock the doors, don t wanna leave you anymore

G            B             Em
   Ooh-ooh, ah-ah, ooh-ooh, ah-ah
          C                                   G
Ooh-ooh, aah, no, I don t wanna leave you anymore
                           B
(Ooh-ooh, ah-ah) I don t wanna leave you
                           Em
(Ooh-ooh, ah-ah) I don t wanna leave you
                           C
(Ooh-ooh, ah-ah) I don t wanna leave you
           Cm          G
Don t wanna leave you anymore
```
