Verse2:

I like it in the city when the air is so thick and opaque
I love to see everybody in short skirts, shorts and shades
I like it in the city when two worlds collide
You get the people and the government
Everybody taking different sides

Chorus:

Round my hometown
Memories are fresh
Round my hometown
Ooh the people I ve met

Are the wonders of my world
Are the wonders of my world
Are the wonders of this world
Are the wonders of my world...
