

Impossible
James Arthur

Am

I remember years ago

C

Someone told me I should take

G

Caution when it comes to love

F

I did

Am

And you were strong and I was not

C

My illusion, my mistake

G

I was careless, I forgot

F

I did

Dm

And now when all is done

Em

There is nothing to say

F

You have gone and so effortlessly

You have won

G

You can go ahead tell them

Am

Tell them all I know now

C

Shout it from the rooftops

G

Write it on the skyline

F

All we had is gone now

Am

Tell them I was happy

C

And my heart is broken

G

All my scars are open

F

Tell them what I hoped would be

Am

C

Impossible, impossible

G

F

Impossible, impossible

Am

Falling out of love is hard

C

Falling for betrayal is worse

G

Broken trust and broken hearts

F

I know, I know

Am

Thinking all you need is there

C

Building faith on love and words

G

Empty promises we were

F

I know, i know

Dm

And now when all is done

Em

There is nothing to say

F

And if you re done with embarrassing me

On your own

G

You can go ahead, tell them

Am

Tell them all I know now

C

Shout it from the rooftops

G

Write it on the skyline

F

All we had is gone now

Am

Tell them I was happy

C

And my heart is broken

G

All my scars are open

F

Tell them what I hoped would be

Am

Impossible, impossible
