Impossible
James Arthur

Am
I remember years ago
C
Someone told me I should take
G
Caution when it comes to love
F
I did
Am
And you were strong and I was not
C
My illusion, my mistake
G
I was careless, I forgot
F
I did

     Dm
And now when all is done
                 Em
There is nothing to say
                     F
You have gone and so effortlessly

You have won
           G
You can go ahead tell them

          Am
Tell them all I know now
           C
Shout it from the rooftops
         G
Write it on the skyline
       F
All we had is gone now
         Am
Tell them I was happy
       C
And my heart is broken
         G
All my scars are open
        F
Tell them what I hoped would be
    Am   C
Impossible, impossible
      G   F

Impossible, impossible

   Am
Falling out of love is hard
  C
Falling for betrayal is worse
   G
Broken trust and broken hearts
    F
I know, I know
   Am
Thinking all you need is there
   C
Building faith on love and words
   G
Empty promises we were
    F
I know, i know

      Dm
And now when all is done
                     Em
There is nothing to say
                                F
And if you re done with embarrassing me

On your own
               G
You can go ahead, tell them

            Am
Tell them all I know now
               C
Shout it from the rooftops
             G
Write it on the skyline
          F
All we had is gone now
            Am
Tell them I was happy
         C
And my heart is broken
           G
All my scars are open
            F
Tell them what I hoped would be
      Am   C
Impossible, impossible
      G   F
Impossible, impossible
