

Let Me Love The Lonely
James Arthur

[Primeira Parte]

Am

You laugh at all the jokes

F

Even the ones you know

C **G**

Funny I m doing that, too

Am

I love the crowded room

F

The one string that s out of tune

C **G**

Trust me, I feel like I do

[Refrão]

F **C**

Let me love the lonely out of you

Am **G**

Let me love the pain you re going through

F **C**

I think I ve saved myself by saving you

Am **G**

Let me love the lonely out of you

[Segunda Parte]

Am

Lighthouse without the lights

F

You smile without your eyes

C **G**

I know, coz I do that too

Am

Your own worst enemy

F

You think that no one sees

C **G**

I do, coz I m like that too

[Refrão]

F **C**

Let me love the lonely out of you

Am **G**

Let me love the pain you re going through

I think I ve saved myself by saving you

Let me love the lonely out of you

[Ponte]

We can light a fire to warm our bones

This world s much too cold to sleep alone

[Refrão]

Let me love the lonely out of you

Let me love the pain you re going through

I think I ve saved myself by saving you

Let me love the lonely out of you

Let me love the lonely out of you

Let me love the pain you re going through

I think I ve saved myself by saving you

Let me love the lonely out of you
