

**Prisoner**

**James Arthur**

[Intro] **Gm**

**Gm**

If I m underneath the table

**Bb**

Then pour me another drink

**Cm**

Oh, I don t want to remember

**D7**

I don t even want to think

**Gm**

I m a slave to my addiction

**Bb**

I m a hazard to myself

**Cm**

On a fast ride to perdition

**D7**

Oh, I m heading straight to hell

**Cm**

When I throw up out your window

**Eb**

You should confiscate my key

**Cm**

I will drive you up the fucking wall

**Cm/Eb**

**D7**

Is it too late to believe me

**Gm**

**Bb**

I tried so hard to change

**Cm**

The devil locked my door

**D7**

I wear these heavy chains around my neck

**Gm**

Like a prisoner

**Bb**

I just want to love

**Cm**

But he won t let me go

**D7**

Loosen up my chains

Or I m a condemned prisoner

( **Gm Bb Cm D7** )

**Gm**

I was stood there in the spotlight

**Bb**

With this city at my feet

**Cm**

But I was a dead man walking

**D7**

Nothing ever comes for free

**Gm**

So I moved on down to London

**Bb**

Where I traded in my soul

**Cm**

I could not fill my heart

**D7**

With all those one night stands and gold

**Cm**

So throw me out your mom s house

**Eb**

I ve been living there too long

**Cm**

Well she never liked me anyway

**Cm/Eb**

**D7**

Cause she knows I m northern scum

**Gm**

**Bb**

I tried so hard to change

**Cm**

The devil locked my door

**D7**

I wear these heavy chains around my neck

**Gm**

Like a prisoner

**Bb**

I just want to love

**Cm**

But he won t let me go

**D7**

Loosen up my chains

Or I m a condemned prisoner

**Gm**

I think my minds on the blink

So I get high, so high and I drink

I suffered enough of the heart palps when I think

Discovered it up at the bar 9 drinks in

**Cm**

Now I m at the disco, convinced the girls think I m the bizzo

**Eb**

Course I m on the brink

Looking at me funny then course I m gonna swing

**Cm**

Karaoke? Course I wanna sing

**D7**

Or pour me another drink

It always ends the same

( **Gm Bb Cm D7** )

Or I m a condemned prisoner

**Gm**

**Bb**

I tried so hard to change (tried so hard to change)

**Cm**

The devil locked my door (The devil locked my door)

**D7**

I wear these heavy chains around my neck (OooH)

**Gm**

Like a prisoner

**Bb**

I just want to love (I just want to love)

**Cm**

But he won t let me go (he won t let me go)

**D7**

Loosen up my chains

Or I m a condemned prisoner
