Rewrite The Stars (feat. Anne Marie)
James Arthur
[Intro] G C
G
You know I want you
It s not a secret I try to hide
You know you want me
So don t keep saying our hands are tied
You claim it s not in the cards
And fate is pulling you miles away
And out of reach from me
But you re here in my heart
So who can stop me if I decide
That you re my destiny?
What if we rewrite the stars?
             G
Say you were made to be mine
              Em
Nothing could keep us apart
You d be the one I was meant to find
          Em
It s up to you, and it s up to me
No one can say what we get to be
                 \mathbf{Em}
So why don t we rewrite the stars?
Maybe the world could be ours tonight
You think it s easy
You think I don t want to run to you
But there are mountains (there are mountains)
```

C

```
And there are doors that we can t walk through
I know you re wondering why
Because we re able to be just you and me within these walls
But when we go outside
You re gonna wake up and see that it was hopeless after all
            \mathbf{Em}
No one can rewrite the stars
             G
How can you say you ll be mine?
            Em
Everything keeps us apart
And I m not the one you were meant to find
(I m not the one you were meant to find)
It s not up to you, it s not up to me, yeah
When everyone tells us what we can be (tells us what we can)
And how can we rewrite the stars?
Say that the world can be ours tonight (be ours)
All I want is to fly with you
                  D
All I want is to fall with you
                \mathbf{Bm}
So just give me all of you
It feels impossible (it s not impossible)
Is it impossible?
Say that it s possible
              Εm
And how do we rewrite the stars?
Say you were made to be mine
And nothing can keep us apart
Cause you are the one I was meant to find
It s up to you, and it s up to me
              G
```
