

**Safe Inside**  
**James Arthur**

**Em** **C**  
I remember when you were all mine  
**G**  
Watched you changing in front of my eyes  
**D**  
What can I say

**Em** **C**  
Now that I m not the fire in the cold  
**G**  
Now that I m not the hand that you hold  
**D**  
As you re walking away

**G** **D**  
Will you call me to tell me you re alright  
**C**  
Cause I worry about you the whole night  
Don t repeat my mistakes

**G** **D**  
I won t sleep til you re safe inside  
**G** **D**  
If you re home I just hope that you re sober  
**C**  
Is it time to let go now you re older  
Don t leave me this way

**G** **D**  
I won t sleep til you re safe inside

**Em** **C**  
Everyone has to find their own way  
**G**  
And I m sure things will work out okay  
**D**  
I wish that was the truth

**Em** **C**  
All we know is the sun will rise  
**G**  
Thank your lucky stars that you re alive  
**D**  
It s a beautiful life

**G** **D**  
Will you call me to tell me you re alright  
**C**

Cause I worry about you the whole night  
Don t repeat my mistakes

**G** **D**  
I won t sleep til you re safe inside  
**Em** **D**  
If you re home I just hope that you re sober  
**C**  
Is it time to let go now you re older  
Don t leave me this way

**G** **D**  
I won t sleep til you re safe inside  
**Em** **B7**  
If you make the same mistakes  
**C**  
I will love you either way  
**G** **D/F#**  
All I know is that I can t live without you  
**Em** **B7**  
There is nothing I can say  
**C**  
That will change you anyway  
**G** **D/F#** **Em7**  
Darling, I could never live without you  
**Cadd9** **G** **D/F#**  
I can t live, I can t live

**G** **D/F#**  
Will you call me to tell me you re alright  
**C**  
Cause I worry about you the whole night  
Don t repeat my mistakes

**G** **D/F#**  
I won t sleep til you re safe inside  
**Em** **D/F#**  
If you re home I just hope that you re sober  
**C**  
Is it time to let go now you re older  
Don t leave me this way

**G** **D/F#**  
I won t sleep til you re safe inside  
**Em** **C**  
Will you call me to tell me you re alright  
**G**  
Cause I worry about you
