Smoke Clouds
James Arthur

  Em
Look no farther than the father s who go farther than they should
     Am7
To the point where we re surrounded by the scars behind their hoods
  Em   Am7
and who no no is gonna teach them wrong from right?

who s gonna tell them it s alright?
B   Am7
pass the just (?) cigarette
        B   Am7
take these brain cells out my head
     B   Am7
fill my lungs, drain my heart

Chorus
       Em   Am7
 cause this smoke cloud s giving me shelter
        Dm
and I feel much better
     B
and demons wave the white flags for me
    Em   Am7
 til my bones keep pleading to walk out
        Dm
from all of this fall out
       B
but there s no way that I could leave
     C
so I don t leave
          B
turn the bitterness to sweet
       Am7 B
I need to find a new release
      Em
so I m trading blues for green
Am7   Dm
hey no no no no
B
oh no no no no no

  Em
Now I m a simple man I don t even have a phone
  Am7
If I did I wouldn t pick it up I want to be alone
Em
I don t trust anyone in this one-track town

Am7
If I walk (?) then my eyes fall down
