

Suicide

James Arthur

G **D**

It ain't the gun

Em

It's the man behind the trigger

C

Gets blood on his fingers

G

And runs

D

It ain't the lie

Em

C

It's the way that the truth is denied

[Pré-Refrão]

G

But if there is one thing that I'm guilty of

D

It's loving and giving when you take too much

Em

If somebody asked how we died

C

Please look them straight in the eye

[Refrão]

G **D**

Call it suicide

Em

Don't fabricate

C

Just tell them babe

G **D**

It was suicide

Em

Don't sugarcoat it

C

Just let them know

G **D**

It ain't the knife

Em

It's the way that you use it

C

G

How you abuse it in fights

D

It ain't about the life

Em

You feel you were given

C

As long as you're living it right

[Pré-Refrão]

G

If somebody asked how we died

[Ponte]

F

You've been killing me softly

G

And finally the pain is too much

F

And I'm all out of whisky

C

To soak up the damage you've done

F

If there's anything I'm guilty of

It's loving you too much

D

If anybody asks how we died

[Refrão]
