Laying in the silence

Waiting for the sirens

Signs, any signs I m alive still

I don t wanna lose it

I m not getting through this

D E F#m

Should I fray, yeah

To myself , til we re gone

E

To a saviour, who can

D E

Unbreak the broken

Unsay these spoken words

D

Find hope in the hopeless

A C#m D

Pull me out the train wreck

E

Pull me out, ohh

D F#m E

Pull me out, Pull me out

Underneath our bad blood

C#m7 **Bm7**

We still got a sad song, home

Bm7 **E/C#** **D** **E** **F#m**

Still at home, still at home, yeah

D

It's not too late to build it back

F#m

Coz a one in a million chances

E

Still a chance, still a chance

E

And I would take those odds

D **E**

Unbreak the broken

F#m **E** **D**

Unsay these spoken words

D

Find hope in the hopeless

A **C#m** **D**

Pull me out the train wreck

D **E**

Unburn the ashes

F#m **E** **D**

Unchain the reactions now

D

Not ready to die, not yet

A **C#m** **D**

Pull me out the train wreck

D **F#m**

Pull me out, pull me out

E

Pull me out, ohh

D **F#m** **E**

Pull me out, Pull me out, pull me out

D

You can say what you like

F#m **E**

Coz I would die for you

D

I'm down on my knees

E

And I need you to be my guard

E

Be my help, be a saviour, who can

Unbreak the broken

F#m **E** **D**

Unsay these reckless words
