James Arthur

[Intro] **E A D G B E**

D E F#m
I m just not sure my heart is working
D E F#m
And yours is beating double time
D E F#m
Deep down you know I ain t even worth it
D E F#m
It s not enough, babe, all I do is make you cry

D E F#m
Like ooh-woah, ooh-woah
D E F#m
I know I do this every time
D E F#m
Like ooh-woah, I know
D E F#m
That I just got to say what s on my mind

D E
You deserve better, better, better than me
F#m
Might be what you want, but I m not what you need
D E F#m
You re better, better than you even realize
D E
You deserve better, better, better than me
F#m
Might be what you want, but I want you to see
D E F#m
You re better off without me in your life

D E F#m
And I hope you ll find somebody else
D E F#m
That ll love you like nobody else
D E F#m
And I hope he gives you something real, oh, I love you still
D E F#m
But you deserve better, better, better, better

D E F#m
Give up on me, cause, babe, I m hopeless
D E F#m
The more it hurts, the more it s right
D E F#m

You know I loved, I just never showed it

D E F#m

It ll be too late when you re with some other guy

Like ooh-woah, ooh-woah
