

Running

James Bay

D **D**
When my heart is ready to burst, When the world spins in reverse
A G **A D G D**
I ll keep running, To the place where I belong

D
When you go, turn down the light No one s here to hold you in the night
A G **A D G D**
I ll keep running To the place where I belong

A **Bm**
When you think you re on your own
G D G D
I m still coming home!

D **D**
When our picture fades in the SUN, And all the colors blur in the one
A G **A D G D**
I ll keep running, To the place where I belong

A **Bm**
When you think you re on your own,
G D G D
I m still coming home!

G D **A D**
When your all gets blinded, When you fold with the cards
G D A Bm A
No, I ll never stop fighting, To get to where you are!

Wherever we go, Wherever we go, Wherever we go

When the lights are faded to black, Only stars are guiding me back
