

## Wait In Line

James Bay

**D** **G**  
I can t shake this feeling  
**Bm** **G**  
At the end o each day  
**D** **G**  
That I keep on working hard  
**Bm** **G**  
But all I do is get payed  
**D** **G**  
Though I keep believing  
**Bm** **G**  
There s a light up ahead  
**D** **G**  
Cause it s only getting darker  
**Bm** **G**  
And I could say in my bed

Pré-Refrão:

**A**  
It s a fight  
**G**  
It takes so long  
**A** **G**  
But I ve learned to hold my own

Refrão:

**D**  
So I stand  
**G** **D**  
And I wait in line  
**Bm**  
With a heavy head  
**G** **D**  
And this bottle of wine  
**D**  
And I watch  
**G** **D**  
As they steal my time  
**Bm** **G** **D**  
I stand and I wait in line  
**Bm** **G** **D**  
I stand and I wait in line

Verso:

**D** **G**  
I walk home in the shadows  
**Bm** **G**

I carry my cage

**D** **G**

And I hope they notice

**Bm** **G**

What I brought to the stage

Pré-Refrão:

**A**

Cause its a fight

**G**

And it takes so long

**A** **G**

But I ve learned to hold my own

Refrão:

**D**

So I stand

**G** **D**

And I wait in line

With a heavy head

**G** **D**

And this bottle of wine

**D**

And I watch

As they steal my time

**Bm** **G** **D**

I stand and I wait in line

**Bm** **G** **D**

I stand and I wait in line

Ponte:

**A** **G**

Ooh whenever it gets inside

**A**

It gets so hard to hide

**G**

Whenever it gets inside

**A** **G**

Ooh I know you ll turn out right

**A**

Giving it all my life

**G**

I know you ll turn out right

Refrão:

**D**

So I stand

**G** **D**

And I wait in line

**Bm**

With a heavy head

**G D**

And this bottle of wine
