

Barefoot In The Park (feat. Rosalía)
James Blake

Am **G**
Agujerito del cielo
F **G**
Cuelando el brillo de Dios
Am **G**
Un rayo cayó en tus ojo
F **G**
Y me partió el corazón

Am **G**
Agujerito del cielo
F **G**
Díctame por dónde ir
Am **G**
Para yo no equivocarme
F **G**
Y así ver mi porvenir

Am **G**
When you re done with me
F **G**
I see a negative space
Am **G**
What you ve done for me
F **G** **Am** **G**
Who needs to lose someday
F **G**
Who needs to pray?
Am **G**
Who needs balance?
F **G**
I ll see you every day

Am **G** **F**
Barefoot in the park
G **Am** **G** **F** **G**
You start rubbing off on me
Am **G** **F**
Barefoot in the park
G **Am** **G** **F** **G**
You start rubbing off on me

Am **G**
Ya tengo to lo que quiero
F **G**
Ya no puedo pedir má
Am **G**

Cuando te tengo a mi lado

F **G**

Lo pasa o se queda atrás

Am **G**

Si te apartan de mi vera

F **G**

Y te tuviera encontrar

Am **G**

Hasta yo te encontraría

F **G**

Como el río va a la mar

Am **G** **F**

Barefoot in the park

G **Am** **G** **F** **G**

You start rubbing off on me

Am **G** **F**

Barefoot in the park

G **Am** **G** **F** **G**

You start rubbing off on me

Am **G** **F** **G**

Saturn starts turning off each ring

Am **G** **F** **G**

The sky is locking up I think

Am **G** **F** **G**

I call off the chase

Am **G**

Who needs balance?

F **G**

I ll see you everyday

Am **G** **F**

Barefoot in the park

G **Am** **G** **F** **G**

You start rubbing off on me

Am **G** **F**

Barefoot in the park

G **Am** **G** **F** **G**

You start rubbing off on me
