

Limit To Your Love  
James Blake

James Blake - Limit To Your Love  
Standard tuning

Forgive me if the chord names are wrong, i don t know musical theory  
I just looked up the names of some chords that sound right to my  
untrained ear. You can also check out me playing it (complete with  
awful singing) on youtube:  
---> <http://www.youtube.com/watch?v=cgTb6J50WYk>

CHORDS

- G#m : 466xxx
- A#m : 688xxx
- C#m : x466xx
- D#m : x688xx
- G# : 4665xx
- Cm : x355xx
- Fm : x 8 10 10 x x
- D#m : x688xx

These are all obviously barre chords but I only play the bottom few strings  
(E, A, D, (G sometimes)) to get that bassy sound, and also because I  
don t think I ve got exactly the right chords so they don t sound right  
if you play the top two/three strings.

[Chorus]

G#m A#m    C#m D#m                  C#m D#m G#m A#m  
There's a limit to your love

C#m D#m    C#m D#m G#m A#m  
  
    C#m D#m                  C#m D#m G#m A#m  
Like a waterfall in slow motion

C#m D#m                  G# G#m A#m  
  
    C#m D#m                  C#m D#m G#m A#m  
Like a map with no ocean

Cm C#m          Fm D#m          Cm C#m  
  
(messy chord bit...dunno...)  
There's a limit to your love  
Your love, your love, your love

[Verse 1]

Thereâ€™s a limit to you care  
So carelessly there, is it truth or dare  
Thereâ€™s a limit to your care  
Thereâ€™s a limit to your love  
Like a waterfall in slow motion  
Like a map with no ocean  
Thereâ€™s a limit to your love  
Your love, your love, your love

Thereâ€™s a limit to you care  
So carelessly there, is it truth or dare  
Thereâ€™s a limit to your care
