Our Love Comes Back James Blake

Am Bm You know how we've grown

 $\begin{array}{ccc} D & G \\ \mbox{And how they captured the tone} \end{array}$

Am D Everyone's a writer

Am Bm But I see the pictures of every life

C Em And the day they die

Am G But it's your image burnt into my mind

Am B And again I find

C That it's worth the climb

D Bm And my love is right on time
