

All the love i ever needed  
James Blunt

Intro:

**A**m **F** **C**

**A**m **F**

Am I looking older?

**C**

Cause, girl, you look the same

**A**m **F**

Did I see a sadness

**C**

Written on your face?

**A**m

One life

**F**

Did I leave it too late?

**C**

Realised that I didn t say the words like I should have done

**G**

I never felt this way for anyone

**F** **C**

There s something I forgot to tell you

**A**m **E**m

Something only I knew

**F** **C** **G**

All the love that I ever needed, I got it from you

**F** **C**

I know it s hard to believe it

**A**m **E**m

With all the shit that I do

**F** **C** **G**

But all the love that I ever needed, I got it from you

**A**m **F**

Did I giv? you pleasure

**C**

Or did I give you pain?

**A**m **F**

Did I l?ave you sleepless

**C**

Thinkin I won t change?

**A**m

One life

**F**

Did I leave it too late?

**C**

Realised that I didn't say the words like I should have done

**G**

I never felt this way for anyone

**F** **C**

There's something I forgot to tell you

**Am** **Em**

Something only I knew

**F** **C** **G**

All the love that I ever needed, I got it from you

**F** **C**

I know it's hard to believe it

**Am** **Em**

With all the shit that I do

**F** **C** **G**

But all the love that I ever needed, I got it from you

**F**

It took some time to realise

**Am** **C**

That every day you saved my life (You saved my life)

**G**

And all the love that I could find, I got it from you (I got it from you)

**F** **C**

There's something I forgot to tell you

**Am** **G**

Something only I knew

**F** **C** **G**

All the love that I ever needed, I got it from you
