Annie, you had your name in the Bright Lights
I thought I saw your photograph
Having such a laugh, in a magazine
Did it all come tumbling?
Em
Annie, you were made for the big time
They said you re a star to be in the NME
But the walls came tumbling down
Down, will you go down on me?
Cause Annie you re a star
That s just not going very far
And all the world will know your name
And you ll be famous as you are
Cause I ll sing for you
(Em GDC)
Em
Annie, would it be nice to be recognized?
And did you practice you autograph?
But now no one s asked
And it s such a shame
```

That the dreams are crumbling

```
Annie, why aren t you bathed in the limelight?
Cause I thought that you said you d be
A celebrity several years ago
Did it all came tumbling down
Down, will you go down on me?
 Cause Annie you re a star
That just not going very far
                                    Εm
And all the world will know your name
And you ll be famous as you are
Cause I ll sing for you
