

Breathe

James Blunt

Bm **D**
Take this bloody war of mine away

G
I m lost for words to say
D **F#m**
Will they greet me at dawn

Bm **D**
Take these muddy thoughts that are my walls

G
I m not ready for the call
D **F#**
That will greet me at dawn

Bm
I just take what someone wants

D
Race when I m in front

F#m **A**
Break what i don t need

E **G** **D**
It s nice to watch somebody bre - athe, for me

F#
I am tired of my own

Bm
Well now come sit next to me

D
I m not sleeping with a bride to be

G
Been wasting time like it just doesn t matter very much

D **F#m**
So I m happy for the company

Bm
And I sat here for eternity

D
No wife and no family

G
And I thank you very much

And I m flattered by the touch

D **F#**
When you say that you re in love with me

G **D**
Won t you breathe for me

F# **Bm**

I am tired of my own

Bm **D**
Race me to the horror at the end

G
I ve lost myself again
D **F#m**
In the mirror of my past

Bm **D**
Let me, let me scratch at my own skin
G
I m dying to get in
D **F#**
To the mirror of my past

Bm
I just take what someone wants
D
Race when I m in front
F#m **A**
Break what I don t need
