

Calling Out Your Name

James Blunt

**A** **F#m**  
Well you can stand there waiting for a rainy day  
**D**  
Close up your heart and hide your dancing shoes away  
**A**  
And cut yourself with your mistakes  
**C#m**  
Leave all hope lying in a line of chalk  
**F#m**  
Everything you need is disguised in double talk  
**D**  
So wound yourself and let it ache  
**E** **A**  
But if you re waiting for something to bring you round

(refrão)

**F#m** **D**  
I m calling out, I m calling out your name  
**A**  
Lift your head up high  
**F#m** **D**  
I m calling out, I m calling out your name  
**E**  
Lift your head up high

**A** **C#m**  
It s all little pieces till there s nothing left  
**F#m**  
All just debris of your former self  
**D**  
Just take a breath for your own sake  
**E** **A**  
And if you re waiting for something to bring you round

**F#m** **D**  
I m calling out, I m calling out your name  
**A**  
Lift your head up high  
**F#m** **D**  
I m calling out, I m calling out your name  
**D** **A** **F#m** **C#m**  
Lift your head up high

**D** **E**  
And are you caught between the lines?  
**D** **E**  
Did no one see you fall behind?

**A** **F#m** **D**  
I m calling out, I m calling out your name

**A**  
So lift your head up

**F#m** **D**  
Yeah lift your head up high

**A**  
Yeah lift your head up

**F#m** **D**  
Now lift your head up high

I m always by your side

**A**  
Yeah lift your head up

**F#m** **D**  
Now lift your head up high

I m always by your side

**A**  
Yeah lift your head up

**F#m** **D** **E**  
Now lift your head up high
