I'll Be Your Man
James Blunt
(intro) A E F#m D
Too many voices
Too many noises
         F#m
Invisible wires keeping us apart
So many choices
But they re all disappointments
             F#m
And they only steal me away from you
Bm
Climb into our private bubble
Let s get into all kinds of trouble
(refrão)
Slide over here let your hands feel the way
There s no better method to communicate
Girl stop your talking
Words just get in the way
            F#m D
I ll be your man
             Bm
So baby come over
From the end of the sofa
I ll be your man
             F#m D
I ll be your man
So many faces
Staring at their shoelaces
When all anyone want is to be seen
Well tonight let s be honest
