Feel better than i am.

In someone else s eyes

   it s a lie that sets you free

    and so i say i don t love you,
F#m                                          E/G#
    cause i love anybody who s fool enough to believe,
F#m                                          A     B
    and you re just one of many who broke their heart on me
C#m         B           F#/A#
    and so i say i don t love you,
              E/G#
Though it kills me
A         B
Cause it s a lie
F#m                                          E/G#

          it sets you free
