

On My Own
James Blunt

Intro: Dm Am F Am (2 x)

Dm Am F Am

I have been rejected before

Dm Am F Am

Trying to get another one to come in through my door

Dm Am F Am

She said I like it to hear, but your not gonna score

Dm Am F Am

Iâ€™m not gonna let you sleep with me anymore

Chorus:

Dm Am

And here we go again

F Am

Iâ€™m starting on my own

Dm Am

26 years apart for one

F Am

And Iâ€™m standing all alone (2 x)

Dm Am

Iâ€™m not that bad

F Am Dm Am F Am

In my, in my heart

Iâ€™m guilty

And of that I confess

I have been thinking of another girl in obsess

I am sorry if it causes distress

But I never loved you

I never loved you

Chorus (2 x)

You can judge me

If you know me so well

I canâ€™t change my spots

And wonâ€™t brake out of my shell

They will commit me, to a lifetime in hell

But I canâ€™t remember where my innocence fell

Then play the Chorus a few times and fade out...
