

**Postcards**

**James Blunt**

VERSO 1 - PIANO:

**E**

Sunday sitting on your back porch

**B**

And I came on with a couple of chords

**F#**

And I played for you.

**E**

You let me keep you entertained

**B**

With stories I exaggerate

**F#**

That you know aren't true

**C#m**

And as you sit there making daisy chains

**E**

And I throw in a hand grenade

**B**

**F#**

And tell you how it is I really feel for you.

REFRÃO - UKULELE:

**E**

I'm sending postcards from my heart

**B**

**F#**

Your love for a postmark and then,

**C#m**

**E**

You know that you..... make me feel like

**B**

**F#**

We've been caught like kids in the school yard again.

**C#m**

**E**

And I can't keep it to myself

**B**

Can't spell it any better

**F#**

L.O.V.E forever

**C#m**

I hope you know that

**E**

I'm sending a postcard

**B**

**F#**

I don't care who sees what I've said

**C#m**

Or if the whole world knows what's in my head.

**E**

We chased the sun til it got away

**B**

On a bicycle that your daddy made

**F#**

But not made for two

**E**

Then we sat out on your rocking chair

**B**

You with a flower in your hair

**F#**

That I found for you

**C#m**

But then Monday always comes around

**E**

And it s sad cause I can t see you now

**B**

**F#**

Want you to know you re always in my head
