

So Long Jimmy
James Blunt

(intro) **Am C F Em Bb**

Am

I just can't believe that it's over.

C

We were chilling out on the sofa,

F

Digging how the guitar goes,

In a song that no one knows.

Em

Did you lick that line yourself,

Bb

Formed in the voodoo magic help?

Am

Does everyone have a different take?

Do you seem real but I seem fake?

Em

G

Does everyone get hypnotized by your fire?

(refrão)

C

Em

So long, Jimmy, so long.

Am

C

Though you only stayed a moment,

F

We all know that you're the one. Singing,

C

Em

So long, Jimmy, so long.

Am

C

Sure we're glad for the experience,

D

We miss you now you've gone.

F

We're just swimming in your soul cause,

G

We all wish we wrote this song.

G#dim Am

Life goes on.

(**Am**)

Am

I'm just so relieved that it's over

C

We were hanging out going nowhere,

F

Digging how the guitar goes,

In a song that no one knows

Em

Did you burn that bridge yourself,

Bb

Or did the voodoo magic help?

Am

Does everyone have a different take?

Are you just cool and I m just baked?

Em

G

Does everyone get mesmerized by your fire?

C

Em

So long, Jimmy, so long

Am

C

Though you only stayed a moment,

F

We all know that you re the one. Singing,

C

Em

So long, Jimmy, so long.

Am

C

Sure we re glad for the experience,

D

We miss you now you ve gone.

F

We re just swimming in your soul cause,

G

We all wish we wrote this song.

G#dim Am

Life goes on.
