

Telephone

James Blunt

A really cool song from the new album Moon Landing

Intro: **Eb** **Bb** **Cm** **G#**

Verse:

Eb

Next to your chest like a locket

Bb

I own my brain in your pocket

Cm

You've got it in your hand everywhere you go

G#

Up close to your mouth when your voice is low

Eb

You think how if I ever get busted

By another mean or matter what the cost is

Bb

Cm

We're inseparable, disconnectable

G#

Without me you never go too far

Chorus:

Eb

Bb

I just wanna be your telephone

Keep me on
