

**Trail Of Broken Hearts**  
**James Blunt**

verse 1

**C** **G**  
Someone be my witness that she walked away  
**Dm**  
Said I said things I didn't say,  
**F**  
Broke my heart, and said she don't love me, she don't love me  
**C** **G**  
Someone, uuhu see the sad eye that I can see  
**Dm**  
And all she is it's just a fantasy,  
**F**  
Damn her, for what she said she don't love me, she don't love me

**C**  
Watch her as she goes, passed out Hollywood bowl  
**G**  
I see her out of your car and she passes by  
**Am**  
Her ex lover's glad it was different from them  
**F** **G**  
She's leaving her trail of broken hearts!  
**C**  
Curtains will close at the Hollywood ball  
**G**  
The pain that she has is in black and white  
**Am**  
She said baby it's hard when you burn like a star  
**F** **G** **C**  
She's leaving her trail of broken hearts!

verse 2

**C** **G**  
Someone, someone else don't know I tell the truth  
**Dm**  
The TRAIL OF HEARTS is all you need for proof  
**F**  
I'm not the fastest at, she don't love them she don't love them  
**C** **G**
