C#m

I m a boy, she s a girl,

A F#m C#m

We re all doing this around the world,

A

Catch her eye and count to five,

F#m

and remember everybody dies you know,

C#m A

I m not her friend no, not second best,

F#m

I ll send her home unless they re both in it together,

C#m

and they ve both got each other,

A F#m

thats my kinda party, that s my kinda party,

C#m A

I m a boy, she s a girl,

F#m

and we re all doing this around the world,

C#m A F#m

around the world, around the world, around the world,

C#m B E F#

Why get complicated?

C#m B E F#

You know you wanna turn me on,

C#m B E F#

Why get complicated?

C#m B E

You know you wanna turn me on.

C#m A

Underwater with someones daughter,

F#m

gonna make you a dirty woman,

C#m

and when we re both locked together,

and we re both in each other,

A F#m

thats my kind of party, thats saay of party song

C#m A

I m a boy, she s a girl,

F#m

and we re all doing this around the world,

C#m **A** **F#m**
around the world, around the world, around the world, so:

C#m B E F#

Why get complicated?

C#m B E F#

You know you wanna turn me on,

C#m B E F#

Why get complicated?

C#m B E

You know you wanna turn me on.

(solo 4x) **C#m E F#**

C#m B E F#

Why get complicated?

C#m B E F#

You know you wanna turn me on,

C#m B E F#

Why get complicated?

C#m B E

You know you wanna turn me on.
