When I Find Love Again
James Blunt

Intro 2x: **Am** **C**

```
    Am       G      C
Hey oh where can i go,
                    F                        G         C
When all the roads i take they never lead me home
    Am   G       C
Hey oh i miss you so
        F                        G         C
But i m used to seeing people come and go
```

```
Dm                        Am
Yeah, i ve made mistakes
      Dm                    Am  G
Next time, i swear i ll change
```

```
      F      C              F      C
When i find love again, when i find love again
      F      C                G
I ll be much better than the man i used to be
      F      C              F      C
When i find love again, when i find love again
      F      C                G
I ll have a better plan for us
```

```
    Am       G   C
Hey oh i m not ashamed,
                  F                        G         C
 cause everybody has a heart that s meant to break
    Am       G   C
Hey oh don t be afraid,
                    F                        G         C     (G)
 cause you re only gettin  stronger from the pain
```

```
Dm                        Am
Yeah i ve made mistakes
      Dm                    Am  G
Next time, i swear i ll change
```

```
      F      C              F      C
When i find love again, when i find love again
      F      C                G
I ll be much better than the man i used to be
      F      C              F      C
When i find love again, when i find love again
      F      C                G
I ll have a better plan for us
```
