lyrics:

usually when things has gone this far  
people tend to disappear  
no one would surprise me unless you do

i can tell there s something goin on  
hours seem to disappear  
everyone is leaving i m still with you

it doesn t matter what we do  
where we are going to  
we can stick around and see this night through

and we don t care about the young folks  
talkin bout the young style  
and we don t care about the old folks  
talkin bout the old style too  
and we don t care about our own folks  
talkin bout our own style  
all we care about is talking  
talking only me and you

and we don t care about the young folks  
talkin bout the young style  
and we don t care about the old folks  
talkin bout the old style too  
and we don t care about our own folks  
talkin bout our own style  
all we care about is talking  
talking only me and you  
talking only me and you

talking only me and you  
talking only me and you
