

Moonlight

James Cheal

G **Em**
Heart breaks under the moonlight
G **C**
The stars will watch as I fall deeper
Em **G**
In love with you

G **Cmaj7**
Tonight I will hit the floor
C
I need your love
Em7 **G**
I need your love

G
So come a little closer
G
Show me how
Em
It s okay to be lost
Em
And it s okay it s be scared
C
Stay a little longer
C
I need you now
G **D**
Because you make me feel stronger
G
Hold me closer

Whisper in my ear

Em
Tell me that it s okay

You have nothing left to fear
G
Although this is over

I ll always be here
Em7
So come a little closer
G
And wipe away your tears

G **Cmaj7**
I wish I could go back to the start
G **Em**
I wish I could have saved a broken heart
C **Em7** **G**
But how could I have erased the best years of my life?
C **Em7** **G**
