

Moonlight

James Cheal

G# **Fm**
Heart breaks under the moonlight
G# **C#**
The stars will watch as I fall deeper
Fm **G#**
In love with you

G# **C#maj7**
Tonight I will hit the floor
C#
I need your love
Fm7 **G#**
I need your love

G#
So come a little closer
G#
Show me how
Fm
It s okay to be lost
Fm
And it s okay it s be scared
C#
Stay a little longer
C#
I need you now
G# **Eb**
Because you make me feel stronger
G#
Hold me closer

Whisper in my ear

Fm
Tell me that it s okay

You have nothing left to fear
G#
Although this is over

I ll always be here
Fm7
So come a little closer
G#
And wipe away your tears

G# **C#maj7**
I wish I could go back to the start
G# **Fm**
I wish I could have saved a broken heart
C# **Fm7** **G#**
But how could I have erased the best years of my life?
