

Moonlight
James Cheal

F **Dm**
Heart breaks under the moonlight
F **Bb**
The stars will watch as I fall deeper
Dm **F**
In love with you

F **Bbmaj7**
Tonight I will hit the floor
Bb
I need your love
Dm7 **F**
I need your love

F
So come a little closer
F
Show me how
Dm
It s okay to be lost
Dm
And it s okay it s be scared
Bb
Stay a little longer
Bb
I need you now
F **C**
Because you make me feel stronger
F
Hold me closer

Whisper in my ear

Dm
Tell me that it s okay

You have nothing left to fear
F
Although this is over

I ll always be here
Dm7
So come a little closer
F
And wipe away your tears

F **Bbma7**
I wish I could go back to the start
F **Dm**
I wish I could have saved a broken heart
Bb **Dm7** **F**
But how could I have erased the best years of my life?
Bb **Dm7** **F**
But how could I have erased the best years of my life?
