

Moonlight

James Cheal

F# **Ebm**
Heart breaks under the moonlight
F# **B**
The stars will watch as I fall deeper
Ebm **F#**
In love with you

F# **Bmaj7**
Tonight I will hit the floor
B
I need your love
Ebm7 **F#**
I need your love

F#
So come a little closer
F#
Show me how
Ebm
It s okay to be lost
Ebm
And it s okay it s be scared
B
Stay a little longer
B
I need you now
F# **C#**
Because you make me feel stronger
F#
Hold me closer

Whisper in my ear

Ebm
Tell me that it s okay

You have nothing left to fear
F#
Although this is over

I ll always be here
Ebm7
So come a little closer
F#
And wipe away your tears

F# **Bmaj7**
I wish I could go back to the start
F# **Ebm**
I wish I could have saved a broken heart
B **Ebm7** **F#**
But how could I have erased the best years of my life?
