

Moonlight

James Cheal

A **F#m**
Heart breaks under the moonlight
A **D**
The stars will watch as I fall deeper
F#m **A**
In love with you

A **Dmaj7**
Tonight I will hit the floor
D
I need your love
F#m7 **A**
I need your love

A
So come a little closer
A
Show me how
F#m
It s okay to be lost
F#m
And it s okay it s be scared
D
Stay a little longer
D
I need you now
A **E**
Because you make me feel stronger
A
Hold me closer

Whisper in my ear

F#m
Tell me that it s okay

You have nothing left to fear
A
Although this is over

I ll always be here
F#m7
So come a little closer
A
And wipe away your tears

A **Dmaj7**
I wish I could go back to the start
A **F#m**
I wish I could have saved a broken heart
D **F#m7** **A**
But how could I have erased the best years of my life?
