seconde Verse is same like the first:

One life,

one chance,

one day

think fast itâ€™s the only way

to be free

to be free

No time for second place

Give it all

Or be disgraced

Believe me

It's easy

So be prepared

For what's ahead

Just remember what I said

I'll be there

By your side

From now until forever

I'll love you 'til I die

I'll be there

By your side

From now until forever

I'll love you 'til I die

Just stay strong

Keep moving on

You've done anything

Nothing

Nothing wrong

So I say

(Oh oh oh oh

Oh oh oh oh

Ohhhh)

I'll be there

By your side

From now until forever

Iâ€™ll love you â€™til I die

Iâ€™ll be there

By your side

From now until forever

Iâ€™ll love you â€™til I die

Iâ€™ll be there

By your side

From now until forever

Iâ€™ll love you â€™til I die
