

Right Behind You
James Durbin

Bbm

Something so familiar

Bbm **C#**

It s like I met you somewhere before, before

Bbm

I can finish your sentence

Bbm **C#**

I can feel you behind the door, the door

Bbm

Turn off the headlights

Bbm **C#**

I ll do the pedals and you can steer into the darkness

Bbm **G#**

Trust me there s nothing to fear, to fear

C#

Close your eyes

C#

Fall backwards

Bbm **G#**

I won t let you die, I ll be right behind you

C#

Close your eyes

C#

Just let yourself go

Bbm **G#**

I won t let you die, I ll be right behind you

C# C# C#

Bbm

You don t have to say it

Bbm **C#**

It s like I know when you re gonna call, and you call

Bbm

I was unconscious

Bbm **C#**

I could see that you were not far, not far

Bbm

You can kill the headlights

Bbm **C#**

I ll do the pedals and you can steer into the darkness

Bbm G#

Trust me there s nothing to fear, to fear
