Somewhere Out There

-James Horner

--From An American Tail

Note: The note for each chord seems right,  
but I can only figure out how to play it with power chords -  
so play each chord s 5th and it sounds pretty good.

**E**

**G#m**

**E**

**G#m**

**G#5 - B5 - G#5 - E**

Somewhere out there,

**G#5 - F#m - C#5**

beneath the pale moonlight,

**C# - F# - B - G# - A - C# - F#**

someone s thinking of me and loving me tonight.

**G# - B - G# - E**

Somewhere out there,

**G# - F# - C#**

someone s saying a prayer,

**C# - F# - B - G# - A - E**

that we ll find one another in that big somewhere out there.

**C# - B - A - B**

And even though I know how very far apart we are,

**C# - F# - E - D#**

it helps to think we might be wishing on the same bright star.

**E - F# - E - D**

And when the night wind starts to sing a lonesome lullaby,

**E - A - B**

it helps to think we re sleeping underneath the same big sky.

**G# - B - G# - E**

Somewhere out there,

**G# - F# - C#**

if love can see us through,

**C# - F# - B - G# - A**

then we ll be together, somewhere out there,

**B - E**

out where dreams come true.
