Live
James Kennedy

[Verse 1]
```
C        Gm              F
Every day that passes by on this ride
C                  Gm            F
Believe there s a yearning always there, deep inside
C            C/D          F
When I wake up, when I wake up and I m somewhere
C            C/D              F
When I wake up, when I wake up and you re not there
```

[Chorus]
```
C          C/Bb
I run and I climb
        F                                   C
With the weight of the world bearing down on me
C      C/Bb              F
Always striving to get to who is always
F
Right behind me
```

[Verse 2]
```
C        Gm              F
I live today is always tomorrows yesterday
C            Gm                    F
But how many years will pass you by, living this way
C            C/D          F
When I wake up, when I wake up and I m somewhere
C            C/D              F
When I wake up, when I wake up and you re not there
```

[Chorus]
```
C          C/Bb
I run and I climb
        F                                   C
With the weight of the world bearing down on me
C      C/Bb              F
Always striving to get to who is always
F
Right behind me
```

[Bridge]
```
C Dm7 Em7 F
F
When I fall

C Dm7 Em7 F
F
```

You catch me

C Dm7 Em7 F
F
But like a springboard

C Dm7 Em7 F
BbM7
I m back to chasing your shadow

[Breakdown]
C   **C/D**   **F**
Will I wake up, will I wake up and see the now
C   **C/D**   **F**
Will I wake up, will I wake up and turn around

[Chorus]
C   **C/Bb**
I run and I climb
          F   **C**
With the weight of the world bearing down on me
C   **C/Bb**   **F**
Always striving to get to who is always
F
Right behind me
C   **C/Bb**
I run and I climb
            F   **C**
With the weight of the world bearing down on me
C   **C/Bb**   **F**
Always striving to get to who is always
F
Right behind me
C   **Gm**   **F**
 Cos everyday that passes by...
